

# SYLLABUS OF SUBJECTS (2010) — The University of Tokushima [⇒Japanese]

- **General Education**
- **Faculty of Integrated Arts and Sciences**
  - Human Sciences
  - Civil and Environmental Studies
  - Mathematical and Material Sciences
- **Faculty of Engineering**
  - Civil and Environmental Engineering (Day, Night)
  - Mechanical Engineering (Day, Night)
  - Chemical Science and Technology (Day, Night)
  - Biological Science and Technology (Day, Night)
  - Electrical and Electronic Engineering (Day, Night)
  - Information Science and Intelligent Systems (Day, Night)
  - Optical Science and Technology
- **Faculty of Medicine**
  - Medicine
  
  - Nutrition
  
  - Health Science
    - Nursing
    - Radiologic Science
    - Laboratory Science
- **Faculty of Dentistry**
  - Dentistry
  - Oral Health and Welfare
- **Faculty of Pharmaceutical Sciences**
  - Pharmaceutical Sciences
  - Pharmaceutical Technosciences
- **Graduate Course of Midwifery**
- **Graduate School of Integrated Arts and Sciences**
  - Regional Sciences (Master, Doctor)
  - Clinical Psychology (Master)
- **Graduate School of Advanced Technology and Science**
  - Intelligent Structures and Mechanical Systems Engineering
    - Civil and Environmental Engineering (Master, Doctor)
    - Mechanical Engineering (Master, Doctor)
  - Earth and Life Environmental Engineering
    - Chemical Science and Technology (Master, Doctor)
    - Biological Science and Technology (Master, Doctor)
    - Ecosystem Engineering (Master, Doctor)
  - Systems Innovation Engineering
    - Electrical and Electronic Engineering (Master, Doctor)
    - Information Science and Intelligent Systems (Master, Doctor)
    - Optical Systems Engineering (Master, Doctor)
- **Graduate School of Medical Sciences**
  - Medical Sciences (Master)
  - Medicine (Doctor)
  - Proteomics Medical Sciences (Doctor)
- **Graduate School of Nutrition and Biosciences**
  - Human Nutrition (Master, Doctor)
- **Graduate School of Health Sciences / Health Sciences**
  - Nursing Sciences (Master, Doctor)
  - Biomedical Information and Sciences (Master, Doctor)
  - Medical Laboratory Sciences (Master, Doctor)
- **Graduate School of Oral Sciences**
  - Oral Sciences (Doctor)
- **Graduate School of Pharmaceutical Sciences**
  - (Master, Doctor)
